Application Procedures For Integrated Preschool Program 2018-2019

The South Brunswick School District offers an integrated preschool program experience for three and four year olds who are residents of South Brunswick. This program is designed to bring general education and special needs preschoolers together in an integrated environment. Research suggests that this type of integration quickens the progress of early childhood in a developmentally appropriate environment.

The program operates from September to June and follows the district calendar. Currently, the Cambridge School classes meet from 8:40-11:10 am and from 12:10-2:40 pm. *This location and class times are subject to change. Parents are not able to request a particular school.*

Enrollment is open to a limited number of general education preschool students, whose applications will be selected **via a lottery process**

- Applications will be accepted February 12th-March 1st (via mail ONLY) **Applications received prior to Feb 12th will be returned.**
- **March 5th** a lottery will be held and 60+ applications will be selected. If your number is selected, via lottery, you will then be notified (by email) to bring your child in for a preschool readiness screening during a designated date and time (end of March/beginning April). *Please note... you will receive **email notification** indicating the status of your application either way.*
- Based on the number of openings, and performance on the criterion-reference assessment (screening), a select number of children who qualify will be offered enrollment into one of our programs. (**Acceptance of application does not guarantee placement**) All applicants screened will be notified of their acceptance status (*acceptance, non-acceptance, waiting list*) no later than May 11th. If placement is offered and accepted, instructions on how to register your child as well as other pertinent information will be included in the acceptance letter.

To qualify for the 2018-2019 school year, children must be three or four years of age by October 31, 2018.

Applications are available on-line ([Application Form](#)–Student Services). Please mail your completed application to:

Parents are responsible for transporting their child to and from the program. Tuition is \$280.00 per month, and must be paid on the 25th of each preceding month via Community Pass (if accepted, and account will be set up for you). It is expected that the students attend **all ten months of the school year** (early termination fees will apply).
