

SOUTH BRUNSWICK HIGH SCHOOL

PARCC REFUSAL FORM

February 24, 2017

PARCC Testing begins on March 27, 2017. Testing dates can be found on our district website.

- English III (March 27-29)/Algebra II (March 30-31)
- English II (April 3-5)/Geometry (April 6-7)
- English I (April 19-21)/Algebra I (April 24-25)

Students are expected to participate in the PARCC Assessment as this is a New Jersey Department of Education graduation requirement. Please keep in mind that our participation rates and scores are measured by the NJDOE and compared to other local, county and state schools. If your son or daughter will not participate in the PARCC Assessment this spring, the bottom portion of this form must be completed and returned to the main office by **March 10, 2017**. Students who have not taken the PARCC Assessment must meet the NJDOE graduation requirement for testing by demonstrating proficiency through an approved alternative assessment listed below.

Your child will be assigned to an alternative location (TBD). Leisure reading will be permitted, and a reading cart will be provided. Students will be expected to remain quiet and in the location until the testing period concludes. Your child is encouraged to bring his or her own reading material. No new instruction will occur in affected classrooms during the PARCC assessment, as our priority on those days is to gather sound data for students who choose to assess.
