

Announcing the 14th Annual District Student Art Gallery...

On Thursday, April 12, 2018 wonderful pieces of art work from students all over the South Brunswick School District will be on display at the Joanne Kerekes Student Art Gallery. The gallery will be housed in the Annex Gymnasium of the South Brunswick High School and will be open to the public in the evening from 6:00-9:00 PM.

This gallery will feature some of the "best works" of some of our most talented student artists.

Also on that night, the art teachers of South Brunswick will be selecting a piece from each K-5 school, two from each middle school, and a few pieces from the high school for inclusion in the school District's 2018-2019 calendar. These pieces will be selected prior to the event and will be ribboned on that evening so that students and their families will find out which pieces have been chosen for this honor. In addition, there will also be some specially chosen pieces of art based on the district theme, "My approach creates the climate; my mood makes the weather ~ Make it a sunny day!. Look for the bright suns to find the works that are part of this special collection.

We hope that you will join us for this "Best of the Best" Art Gallery!
