June 2017

Dear Parents/Guardians,

At Constable School we believe reading is a valued practice that should continue throughout the summer months. We have provided a book list organized by reading level, along with a Summer Book Review form. Please help your child to select a book from the list using the range of levels indicated on the June report card. After reading the book, your child will complete the Summer Book Review. This project will be collected, shared and displayed during the first week of school. Your child may read more than one book and complete more than one Book Review but will be asked to share just one with their classmates.

The third grade teachers are looking forward to reading your child's book review and hearing about their summer reading. We truly appreciate your support in the completion of this project.

Sincerely,

The Third Grade Team
