June 2017

Dear Families;

This summer we would like the reading and learning to continue with a Summer Reading Project!

From the attached list you may choose one book that corresponds to your guided reading range on the June report card or you can check the level of a book at [www.scholastic.com/bookwizard](http://www.scholastic.com/bookwizard). After you read your book, write a letter to your new teacher sharing your thoughts, connections and opinions of the book. Use the following ideas to help you write your letter.

I think....

I feel...because...

I wonder...

I wish...

If I were...I would...

That reminds me of...

I noticed...

I liked...

I didn't like...

My favorite part was....because...

Write or type your final copy of the letter. Use your best handwriting, as it will be hung up in school. If more than one sheet of paper is needed, please staple lined paper to the front sheet. This project will be collected on the first day of school and you will be sharing the letters with your classmates. Be sure to include all parts of a letter and plenty of details.

Sincerely,

4<sup>th</sup> Grade Team
