Parent Input Form: 2018-2019

Dear Greenbrook Parents/Guardians,

Later this spring, the classroom teachers and I will be establishing the placement of all Greenbrook students for the 2018-2019 school year. While the final placement of students in classes is the Principal's decision, input from both the parent and teacher is valued and considered in the process. I will do my best to honor any information provided.

Many factors enter into this decision-making process in order to ensure the best placement for your child. Our efforts are to create well-balanced learning communities that truly represent the broad spectrum of students attending Greenbrook School.

In making the placement decision for students entering grades 1-5, I will consider the input you would like to offer; however, **requests for a specific teacher will not be honored.** Both teachers and administration review the input forms that we receive. **Any forms that are returned that list a specific teacher's name will not be included in the input process.**

Any input you choose to offer should be written on the back of this letter and returned to me no later than Monday, May 14th. Parents are reminded that this is the time to give your input. Calls during the summer are too late to be considered in the process. Your anticipated cooperation is appreciated. If you have any questions about this placement process, you are welcome to contact me by phone (732-297-2480) or by e-mail (jodi.mahoney@sbschools.org).

Sincerely,

Jodi Mahoney

IMPORTANT!
