Dear Parents/Guardians of Students in Gr. 3-12,

The annual "Take Our Daughters and Sons to Work Day" is scheduled to take place on Thursday, April 26, 2018. This is a voluntary program sponsored by the foundation of the same name.

We often receive inquiries from parents regarding this event. It is important for you to know that the South Brunswick School District adheres to the age guidelines that follow when it comes to student absence: girls and boys in **THIRD GRADE** and above will receive an **excused absence** from school in order to accompany a parent, grandparent, family member or family friend to work on this day.

If your child will be going to work on April 26, please inform the school in writing or call the school and report your child's absence in advance of this date.

All students who attend school on that day will participate in their regular program.

Sincerely,
