

2018 Credit Recovery Summer School

All information regarding the 2018 Credit Recovery Summer School program is on the links below. The program will be held from June 26th through July 31st. All Credit Recovery courses are online through Educere and there is a cost associated with every course. All courses can be completed at home or anywhere that a student can access the internet. Desktop and laptop computers are the best tools for working on the online courses. Courses are open and available to be worked on 24 hours per day. There is no set time that a student will need to be logged in to their course. It is the responsibility of the student and their parents to make sure that they are working on pace in order to complete the course on time to be able to take the final exam on the dates indicated in the information below. Educere will constantly provide progress and grade updates to both the student and their parents in order to monitor course progress.
