

# GENESIS STUDENT PORTAL INFORMATION 2017-2018

---

## ATTENTION 7TH & 8TH GRADE STUDENTS ONLY!

We are excited to let you know that the student portal for Genesis has now been enabled. This resource replaces Power School. Students can gain access through the Genesis Student Portal where you will be able to monitor your attendance and grades. There is no app so you will need to bookmark the URL or create a shortcut on your device.

The Url is: **students.sbschools.org**  
Your username is your **studentnumber@sbstudents.org**  
(00000000@sbstudents.org)  
Your password is your current **sbstudent** email password

**Once you are logged in, you must view and acknowledge the district's Acceptable Use Policy (AUP).** Please remember that the AUP is a requirement in order to use any district technology. On Genesis, there is a link to the policy for your reference.

Once acknowledged, you will be able to view your class attendance and see your schedule. Gradebook will not open until the Week of September 11th.

If you are not able to login over the weekend, teachers will designate time for this purpose on Monday. You can share any issues or problems then. Finally, please note that this portal is only open for 7th & 8th grade students at the moment. 6th grade students will receive training and access later in the month.
