Teachers will be chaperoning all after school programs. Walkways between North and South will be monitored after school every day. Late bus stops are not necessarily the regular bus stops. They will bring students relatively near their regular stop. Students may take part in more than one intra-mural as long as they don't occur on the same days. For safety reasons students will have a ride waiting or they will take the late bus home. Students MAY NOT ride a bike or walk home at 5:15.

Detach and return to the Activities Office by December 21st.
