

Together the South Brunswick School District and Chartwells School Dining Services is proud to serve your child. We hope that the following will provide you useful information about the services we offer.

To learn more about Chartwells, visit our website at www.eatlearnlive.com.

Electronic Student Lunch Account System

-  Each student is provided with a lunch ID card
-  Child's purchase history is available to view on the mySchoolBucks website or by calling the Chartwells Unit Lead Manager at the school
-  If your child has any food allergies the POS system is updated by the school nurse and alerts will pop up on the screen at the time of your child's purchase
-  Parents have the ability to restrict their child's purchases
 -  Restrictions or spending limits may be placed on your child's account by sending a written request to Chartwells Dining Services
 -  Restrictions or spending limits may also be placed on your child's account by logging on to www.mySchoolBucks.com
 -  For questions please contact Michele Armstrong at Michele.armstrong@compass-usa.com or (732) 329-4044 x. 3384
-  Photo identification to help prevent fraudulent use of the child's meal account
-  Online payments can be made at www.mySchoolBucks.com
 -  Money can be applied as cash, check (payable to South Brunswick BOE) or online through a secure site by credit/debit card
 -  My School Bucks will charge a fee per transaction
 -  There is no limit to the amount of money that can be applied to your child's account
 -  Should your child's account fall into a negative balance, negative balance letters will be sent via email by the Board of Education
 -  Online accounts will not be available until your child starts school

NutriSlice Lunch Menus now features...

-  Website where you can view and print weekly/monthly school lunch menus
-  Nutrition information
-  Dietary information
-  Menu choices
-  Additional lunch options
-  Mobile app
-  Menus can be found on the schools website
 -  <http://www.sbschools.org/>
 -  School Info
 -  School Dining Menus

Free and Reduced Lunch

-  POS System provides complete confidentiality
-  If approved, each student is eligible for **both** breakfast and lunch daily

What is a Lunch

-  A lunch is composed of five components
 -  Meat/meat alternate, grain, vegetable, fruit and milk
 -  A complete lunch must contain 3 of 5 components, one of which must be a fruit or vegetable
 -  If 3 of 5 components, including a fruit and/or vegetable, are not taken, the lunch will be sold at a la carte prices. We encourage the children to take the fruit and/or vegetable

Ala Carte

-  We offer a variety of baked chips, low fat frozen yogurt, reduced fat cookies and fruits and veggie cups for snacks as time permits during the week
