SOUTH BRUNSWICK STATEMENT OF AFFIRMATIVE ACTION AND NON-DISCRIMINATION

The Board of Education affirms its responsibilities to ensure all employees equal employment opportunity and all students in South Brunswick equal opportunity, regardless of age, race, creed, religion, handicap, sex, ancestry, national origin, or social and economic status. Complaints of discrimination/denial of equal opportunity should be directed to Kim Maloy-White Extension 5107, the affirmative action officer, at the Board of Education Office 732-297-7800.

I agree to adhere to the South Brunswick Before and After School Childcare Programs enrollment agreement below and procedures listed in the parent handbook.

I give my child permission to participate fully in these programs. I understand that my failure to abide by any part of this agreement may result in removal from the program.

1. I am ENROLLING my child/children in the Before/After School Program. Payment of the \$50 registration fee and first month's tuition, which are both non-refundable, is due at time of enrollment. I am entering into an agreement that is divided into equal payments for the school year.

2. If I need to WITHDRAW my child(ren), I will email Community Education by the 15th of the previous month, for withdrawal effective on the 1st of the next month. Failure to email Community Education will result in being responsible for that month's tuition. See examples.

Example 1: Email Community Education by November 15, and withdrawal is effective on December 1. Failure to email Community Education will result in being responsible for December's tuition.

Example 2: Email Community Education by May 15, and withdrawal is effective on June 1. Failure to email Community Education will result in being responsible for June's tuition.

3. If I WITHDRAW my child(ren) before the end of the school year, I will automatically be charged an Early Termination Fee of \$100 per child. If I choose to re-enter the program after terminating this agreement, I understand that I must pay all outstanding fees and balances before my child(ren) is placed in the program again.

4. Schedule changes cannot be made after May 15th.

5. I am responsible for monthly payments to be paid by the 25th of each preceding month. Payments received after the 7 day grace period will be assessed a \$25 late fee.

Example 1: October's tuition is due September 25th, the late fee will be posted on October 3.

Example 2: November's tuition is due October 25th, the late fee will be posted on November 2.

6. Withdrawal from the program for non-payment will occur 7 days after non-payment of the 2nd month's tuition. Example: If you have not paid for October and November's tuition by October 25, your child will be automatically withdrawn as of November 1. Email Maria.Chavkin@sbschools.org with any payment concerns.

7. All payments must be current by May 2nd, or student will be dismissed immediately. Likewise, June's tuition and any other fees must be received by June 1st or student will be dismissed immediately, and registrations for any other Community Education programs will be placed on hold until payments are brought current.

8. In the event of illness, vacation, or other absences such as scouts and other after school activities, the After School Program staff must be notified in writing. Additionally, if my child attends a school for children with special needs, I will inform the Community Ed. office on a daily basis of changes in child's attendance for any reason including differences in school calendars. Regardless of other activities, illness, or differences in school calendars, I am responsible for my child's full tuition payment.

9. The fee for pick-up after 6:00 PM is \$15 for each 15 minutes or portion thereof. In addition to this fee, the second time I am late, I will be fined \$10; the third time \$20. These fines are billed directly to me and are payable upon receipt. Any further lateness will result in dismissal from the program.

10. If I am enrolled for half sessions in either the AM or PM, I may not sign in my child earlier than 8:00 AM or pick up later than 5:00 PM. The same fees and fines listed in Item 9 will apply to early drop off or late pick up.

11. There is a \$40 processing fee for returned checks. If this occurs a second time, all future payments must be made online, in cash or by money order.

12. I will notify the Community Education Office of any phone number, home address changes, or email address changes for myself and/or my emergency contacts by emailing program.registration@sbparents.org

13. I understand that there will be no program on days that South Brunswick Township Public Schools are closed due to inclement weather. For specific instructions for "Emergency Closings/Delayed Openings," refer to parent handbook.

14. The staff will assume full responsibility for my child from the time he/she arrives at the program until dismissal time. In the AM, a parent/authorized person must come in to sign in their children. In the AM, children will be sent to their regular classroom teacher. In the PM, each child will be checked in upon arrival. The child must be signed out by a parent/authorized person 17 years of age or older no later than 6PM.

15. I give my permission for my child to participate in walks and field trips. Specific details will be provided.

ELIGIBILITY

We serve all children in grades Kindergarten-Grade 8 in the South Brunswick Public School system. We provide an inclusive environment and make every effort to accommodate special needs students. If a support staff is required for your child, we will advertise the position once we have received registration paperwork. Your child will be enrolled in the program when that position is filled.

COMMUNICATION

Due to the large number of families served in our programs, communication between families and the Community Education office will be done primarily via e-mail, using the address listed on your Community Pass account. It is imperative that you check your e-mail for correspondence daily, and add info@communitypass.net and program.registration@sbparents.org to your address list in order to avoid important and timely information being sent to spam or junk mail folders.

TUITION PAYMENTS

DUE: 25th of the preceding month

LATE: 7 days after the 25th

A courtesy e-mail reminder will be sent out each month. Tuition is based on the number of hours and days enrolled. **The yearly total is divided into 10 equal monthly payments.** Tuition is paid every month through June and is due by the 25th of the preceding month (for example, December's tuition is due on November 25th).

Remember to notify the After School Program staff in writing in the event of extended illness, vacation or other absences from the program; however, note that you are still responsible for the full monthly tuition. Families who withdraw prior to the end of the school year are charged a **\$100 early termination fee per student**. There will be a past due charge of \$25 for payments not received after the 7 day grace period. This fee will be assessed on the next month's tuition bill. If tuition is two months in arrears, the child may be removed from the program. Contact Maria Chavkin maria.chavkin@sbschools.org or x3175 for tuition assistance information (see page 16).

Payments are made online through Community Pass using a Visa/Mastercard credit or debit card. Payments by check should be mailed to PO Box 701 Monmouth Junction NJ 08852 or dropped in our secure drop box outside of 231 Black Horse Lane. We CANNOT accept post-dated checks. Cash payments need to be made in person at Community Education at 231 Black Horse Lane.

CHECKS RETURNED FOR INSUFFICIENT FUNDS

When a check is returned to us for insufficient funds, the family will incur a \$40 fine. The check must be replaced with the additional \$40 fee, or payment for both can be made online through Community Pass. If a family experiences a returned check a second time, they will no longer be permitted to pay for any Community Education program with a check. All payments will then need to be made online or with cash in our office.

RECEIPTS AND FLEXIBLE SPENDING ACCOUNTS

Receipts for childcare will be available on Community Pass. If you require a signature for an FSA, send a self-addressed, stamped envelope to Sylvia Jenkins. We will not FAX or e-mail receipts.

ARRIVAL & DEPARTURE

There is a buzzer system in place at the entry to our programs. Please state your name and the name of the student you are picking up or dropping off.

Sign In/Out: Parents/Guardians **MUST** sign children in and out on the attendance form.

AM Arrival: Each child must be brought into the program site by the parent/guardian who will sign the child in on the attendance form no earlier than 7AM, include sign in time. This might appear to be an inconvenience when you are in a hurry to get to work in the morning – but it is a legal requirement. It also enables you to receive important information and is your only way of knowing that your child will arrive at the program. Failure to follow this procedure may result in removal of your child from the program.

PM Departure: ALL children must be picked up by 6 PM. A parent must come in and sign out on the attendance form, include sign out time. No child can be released to someone under 14 years of age. Additionally, no student can be released to someone suspected of being under the influence of drugs or alcohol.

Pick-up Authorization: Your enrollment forms provide space to list those people authorized to pick up your child after school. Your child will be released to no other person unless you have sent a note to the program authorizing that person to pick up your child. For emergency authorization, please call the BAS office. They will confirm your call and instruct the staff accordingly. The authorized pick up person will be required to show identification

Cell phones - As a courtesy to our staff and other parents, we ask that you refrain from speaking on your cell phone while dropping off or picking up your child.

Change of plans? If your child is absent from school during the regular school day, you do not need to notify the program unless your child attends an out of district school. The staff at each school will check the daily absentee lists to note which children are absent from school.

HOWEVER, if your child **attends school during** the day but **will not** be attending the After School program on a regularly scheduled day, **CALL** the attendance line 732-297-7800 x3196 before 11 AM. Please spell your child's name, include their school, grade and how they will get home. **Also send a note with your child to his/her classroom teacher**, indicating that your child is to go home on the school bus or has other plans.

Are you going to be late? If you find that you will not be able to get the school by 5 PM or 6 PM, call the person designated for emergency pick-up giving them ample time to arrive at the after school site by 6 PM. Call the site and inform them of the change. If no one arrives by 6 PM, After School staff will call the emergency pick-up person to come get your child. Late pick-ups put an unfair burden on the staff, who have other obligations. If your child is registered at half time and you arrive after 5 PM, you will automatically be charged a late pick-up fee and fine. Abuse of this policy will result in the child's removal from the program.

Late Pick-Up Charges - There is a fee of \$15 for each 15 minutes or part thereof that you are late. There is also a \$10 fine for second lateness and \$20 fine for third lateness. After the third time, your child will be dropped from the program. Fees/fines will be charged to your Community Pass account.

PROGRAM

Our Before and After School (BAS) program provides the opportunity for children to choose from a variety of active and quiet recreational and enrichment activities. Children are encouraged to make their own choices, be creative and pursue individual interests. They assume responsibility for their own behavior, respect the rights of others and keep their environment clean and happy. Programs provide families with a monthly calendar that outlines available choices related to a theme. In the **morning program**, children are not grouped by ages but instead children will choose interest areas. In the **afternoon**, children are grouped according to grades and given a healthy snack. Thirty minutes of outdoor play is encouraged on a daily basis, weather permitting. The children may be involved with computers, crafts, creative arts, physical fitness, nature studies, etc. as well as table games, puzzles and sports. The after-school program combines enrichment, community service and homework time within a recreational environment.

Time is set aside each afternoon for **homework**. We offer a quiet place for homework to be completed. **Please note that we cannot guarantee that homework will be completed during the scheduled homework time. Also, we do not offer homework tutoring. If your child requires assistance in completing his/her homework because it is too challenging, please contact your child's classroom teacher.**

Morning Hours – from 7 AM until school begins. If your child attends a school that starts at 9:05, you may select the half session at our K-5 schools and sign your child in any time after 8:00 AM. If you sign in before 8AM, you will be charged an early drop-off fee.

Afternoon Hours – close of school until 6 PM including regular early closing days. If you use the half session, you must pick your child up by 5 PM or be charged late fees/fines. Your child **may not attend** the after school program if she/he was absent from school.

AFTER SCHOOL SNACKS

Working with Chartwells Dining Service, the program provides a daily after school snack. The monthly menu is sent with the program calendar.

Due to the growing number of students who have been diagnosed with peanut allergies, which can be fatal to some, Chartwells School Dining Services no longer serves items that are peanut-based or use foods prepared with peanut-based products in any of our cafeterias. While this change does not impact “packed” lunches or snacks, we ask that you be mindful of the existence of food allergies among children and discourage sharing of snacks.

We are also unable to serve snacks in our daily programming in which the first ingredient is sugar.

EARLY RELEASE DAYS

The school district schedules early release days for parent-teacher conferences and school planning. **If your child is registered on the day of the week that is an early release day, we take care of him/her from the close of school until the usual pick-up time.** Our program starts when the children are dismissed. **Unfortunately, we cannot accept schedule changes on these days and we do not offer drop in on early release days.**

UP-TO-DATE ADDRESS & HOME/WORKPLACE PHONE NUMBERS

Please be sure to inform Sylvia Jenkins if your home, work, cell, or emergency contact phone numbers change. She will inform the sites. Please keep your emergency numbers up to date. **The emergency contact number and address must be local, within 10 miles of the school.** We ask that you provide us with an **alternate work number** where someone will answer the phone and contact you in an emergency.

EMERGENCY CLOSING

We operate any day that school is open beginning September 6th until the last day of school. If schools are closed because of snow/ice, the program does not operate. If the school day has begun and a school closing is called due to weather conditions, parents/guardians are encouraged to pick up as **early as possible. However, the program will remain open until all children have been picked up.** Please be mindful of the fact that our own staff are placed in dangerous driving conditions as well.

Emergency closings will be broadcast on the district website, and on the district auto-dialer system.

In an emergency After School closing, we will use the district's auto-dialer system. The numbers used are those you provide to your school. We do not have a separate system. If you have not provided cell or work numbers to the auto-dialer system, then you will only receive a phone call at your home phone.

An emergency email notification keeps subscribers informed of emergency closings or delayed openings or other instances where parents may be required to take action (school evacuation due to power outage, etc.). Signing up is simple, visit www.sbschools.org for instructions.

DELAYED OPENINGS

If the school district has a delayed opening, **our programs begin at 8:30 AM.** There will be no staff prior to 8:30 AM. As usual, please walk your children into the program and sign them in. If you are unsure of the status of Before School, please use the same procedures as mentioned for emergency closing information.

TIER II DISMISSAL

During times of high alert the school may experience a larger than usual number of parents coming to pick up children for early dismissal. In the event of such an emergency, we have put plans in place for an orderly, organized dismissal called a Tier II. (Tier I is regular dismissal.) Note: The building is not in danger; this is a plan to control parent traffic. Please follow posted directions for the safety and well being of all children.

PERIODIC DROP-IN

Families who have current enrollment information on file may use the program occasionally, on a drop-in basis. **There is no guarantee that the drop-in space will be available.** You must first contact Sylvia Jenkins at 732-297-7800 x3196, press 1, to see if there is space. Please call her at least 24 hours before the date you wish to use the program. The drop-in fee is \$25 for the Before School Program, \$35 for the regular After School Program and \$45 for early release days.

Unfortunately due to staffing and other constraints, we may not be able to accommodate all drop-in requests.

STAFF

The **School Age Care Manager** oversees the entire program. She is most focused on after school programs, site staff and the curriculum. The **Assistant Manager for Children's Programs** oversees the morning program and curriculum materials. Staff are paraprofessionals who offer your child a wealth of experience. We have teachers, district personnel, college students, community members and high school interns. At all sites, there is a Site Coordinator or Program Leader. Staff members participate in regular trainings given by the South Brunswick School District and workshops given by other NJ organizations. We staff at a 1:15 ratio.

FAMILY ORIENTATION

Family Orientations are held in the beginning of the year prior to the first day of school. To arrange for an orientation during the year, contact your Site Coordinator or Sheila Barry at 732-297-7800 x3197.

We encourage parents who are unfamiliar with our programs to schedule an appointment to observe before enrolling.

ILLNESS – EMERGENCY

In the event that a parent/guardian is notified by the school nurse during the school day to pick up a child because s/he is ill, the child will not be admitted to the after school program. Please be advised that if a child attending the program develops a fever, has diarrhea, is vomiting or has broken out in a rash, the parent will be contacted to pick up the child from the program.

In the event that a child becomes ill during BAS, the staff will notify the parents and request that the child is picked up as soon as possible. This is to ensure the health and safety of all of the children. If the parent cannot be reached, the staff will contact the emergency contact person listed on the registration form. In the case of extreme medical emergency, the local rescue squad will be contacted. BE SURE that your medical records and phone numbers are up-to-date, as inaccurate numbers can delay treatment for your child. Emergency contact numbers should be local contacts who live in or around South Brunswick. Contact Sylvia Jenkins at (732) 297-7800 x 3190 or Sylvia.jenkins@sbschools.org to make changes to information.

MEDICATIONS

NO prescription or non-prescription medication can be given by our staff during the program. Any required medications must be administered by the school nurse during the school day. Any medications for life threatening emergencies, such as, nebulizers, inhalers, Epipen, etc, will be administered under the direction of one of the Community Education nurses.

The parent must provide the medication in its original container, with the doctor's prescription to the after school nurse. Please advise the School Age Care Manager if your child requires medication for a life threatening condition.

CODE OF CONDUCT

We follow the district's code of student conduct in order to facilitate a consistent and unified understanding of behavioral expectations. We try to create an environment in which children are encouraged to develop an appreciation of their own rights and the rights of others, along with assuming the responsibilities that go with those rights. **We do not tolerate any racial slurs or physical or verbal abuse of other children or staff.**

All South Brunswick Schools embrace the following core values, CARES, in an effort to build positive school citizens in our learning community. This is supported through our district's Character Education Program.

- C Cooperation
- A Assertion
- R Responsibility
- E Empathy
- S Self-control

At the beginning of the year, children discuss with each other and the staff the rules and procedures that foster a positive environment. Each group establishes and posts its own rules. Children's involvement in setting the rules helps them be more responsible and respectful of others.

LOGICAL CONSEQUENCES

The assignment of logical consequences is a school-wide practice to assist children in developing self-discipline. Sometimes children break rules. Logical consequences help students fix their mistakes and learn from them.

Logical consequences help staff respond to misbehavior, in an age appropriate way, that allows children to fix and learn from their mistakes while preserving their dignity.

There are different types of logical consequences:

- You break it, you fix it
- Time-out
- Loss of privilege

On occasion, when offenses are repeated or when a student is not learning from logical consequences, additional remediation is necessary. This may include a parent-staff conference or suspension or referral to a counselor.

RESPECT

The BAS environment is one of mutual respect among staff, children and families. If there is a problem, please discuss the situation directly with a staff member or their coordinator. To arrange a private meeting, please contact the site coordinator.

At no time will parents/guardians be allowed to approach another parent/guardian or student. Violations could result in the parent/guardian being banned from the program.

BOARD OF EDUCATION POLICIES

ACCEPTABLE USE POLICY (A.U.P.)

The South Brunswick School District believes that all students should have access to technology tools, resources, and services when they act in a responsible, efficient, courteous and legal manner. Internet access and other online services, available to students and teachers, offer a multitude of global resources. Our goal in providing these services is to enhance the educational development of our students.

We educate students about appropriate online behavior including awareness and response to cyber-bullying and interacting with others on social websites. In addition, we take steps to block access to inappropriate content, monitor safety and security when students use electronic communications, prevent unauthorized access including “hacking,” and prevent unauthorized disclosure, use and dissemination of students’ personal information.

Acceptable uses of technology are devoted to activities that support and enhance teaching and learning. Use of “technology tools” refers to all digital tools and equipment that are used in South Brunswick classrooms and schools— whether district-owned or privately-owned. Therefore, the A.U.P. also covers students in upper grades who participate in Bring Your Own Device (B.Y.O.D.) at the invitation of their teachers and under the conditions outlined in the B.Y.O.D. Guidelines.

To use any technology in our instructional environment and while on school grounds, students must have an “Acceptable Use Policy: Technology Agreement” on file. All students and their parents/guardians must sign and/or electronically acknowledge this document. The Agreement, which is written in age-appropriate language, covers the following intervals: Kindergarten (which covers K-2), Third Grade (which covers 3-5), Sixth Grade (which covers middle school), and Ninth Grade (which covers high school). Copies of these divisional “A.U.P. Technology Agreements” may be found on the District website, www.sbschools.org, under “Vision and Policies.”

BRING YOUR OWN DEVICE (B.Y.O.D.)

The B.Y.O.D. Policy applies to students in grades 6-12 only. On occasion, an elementary teacher in 4th or 5th grade may choose to invite students to bring their own privately owned devices to school for use with a particular project during a specified time period. A communication will be sent home with the specifics should this occur. A student who does B.Y.O.D. must adhere to the Student Code of Conduct, the Acceptable Use Policy, and all applicable Board policies and the guidelines for B.Y.O.D. The use of personal devices by students is optional; students who do not participate in B.Y.O.D. will not be penalized, and alternative modes of participation will be available.

BUS CONDUCT

NJ Statute provides that the bus driver shall be in full charge of the school bus at all times. Infractions deeming the student to be unmanageable can be reported to the school principal by the driver and disciplinary action taken as necessary. Please refer to the *Student Transportation Brochure* for further description of the Rules & Responsibilities. Students are only permitted to ride on their assigned bus. In addition, the Code of Student Conduct also applies to bus behavior, as well as behavior at the bus stop. It also applies to the behavior of walkers to and from school.

DRESS CODE

The wearing of clothing bearing obscene writing or promoting indecent or unacceptable behavior, whether stated or implied, will not be permitted. In all such cases, students wearing inappropriate items will be asked to remove or replace them. When it is determined that students are in violation of these guidelines, they will be sent to the nurse's office and provided with temporary clothing for the remainder of the school day.

No student is permitted to wear a hat or any other head covering in school, unless required to do so by religious custom or medical condition.

Since students at the elementary level have recess every day, it is recommended that the students wear sneakers or other safe footwear (no flip-flops) to school daily. In addition, students should dress for the weather, since recess occurs throughout all seasons of the school year.

ELECTRONIC COMMUNICATIONS POLICIES

Policies #3283/#4283: "Electronic Communications Between Teachers / Support Staff Members and Students."

These two policies (teacher and support staff) protect students from receiving or exchanging any improper or inappropriate electronic communications with any members of the staff. Students may not communicate with a staff member through anything other than the district email system, district telephones, and district-sponsored or district-approved (e.g. Edmodo) social media sites and web pages. Likewise, a staff member may not use or provide a personal email address to communicate with students, may not use a personal phone to communicate with students, is prohibited from text messaging communications with students, and prohibited from communicating with any student through a personal social networking website or other personal Internet-based website. A staff member may not offer or accept "friend" requests. Note: Under special circumstances (e.g. field trips, sports team events, club activities), a staff member may receive permission from the principal to use a personal device or personal media site for the purpose of communicating emergency/information notification in a timely manner.

HARASSMENT, INTIMIDATION, AND BULLYING (H.I.B.) POLICY

It is the intent of the NJ Legislature in its January 2011 enactment of the new Harassment, Intimidation, and Bullying (HIB) Law to strengthen the standards and procedures for preventing, reporting, investigating, and responding to incidence of HIB of students that occur in school and off school premises.

The District prohibits all acts of harassment, intimidation or bullying. HIB is defined as any gesture, written, verbal or physical act or any electronic communication (that is, transmitted by an electronic device) whether it be a single incident or a series of incidents that:

- Is reasonably perceived as being motivated by either any actual or perceived characteristic such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability or by any other distinguishing characteristic; and
- Takes place on school property, at any school-sponsored function, on a school bus, or off school grounds that **substantially disrupts or interferes with the orderly operation of the school or the rights of other students**; and that

- A reasonable person should know, under the circumstances, that the act will have the effect of physically or emotionally harming a student or damaging the student's property, or placing a student in reasonable fear of physical or emotional harm to person or damage to property; or
- Has the effect of insulting or demeaning any student or group of students, or
- Creates a **hostile educational environment** for the student by interfering with a student's education or by **severely or pervasively** causing physical or emotional harm to the student.

A HIB complaint will be investigated promptly within the defined timeline and in adherence with the procedures set forth in the District HIB Policy. This policy can be accessed in full on the District web page at www.sbschools.org along with contact information for the District's Anti Bullying Coordinator and each school's Anti Bullying Specialist.

PUBLIC COMPLAINTS AND INQUIRIES

Policy provides a forum for members of the community to resolve any misunderstandings between the public and the school district regarding school personnel, district operations or instructional materials. Resolution is initially attempted through discussion between the involved parties and generally takes place at the classroom or school level.

RECORDING POLICY

The taking or sharing of pictures and/or video during school hours is prohibited unless required for an academic task and under the direction of a staff member. Students may not use devices to record, transmit, or post photographic images or video of a person or persons on campus during school activities or school hours, unless otherwise allowed by a staff member.

SOCIAL MEDIA

The district and its schools will maintain web pages, Facebook pages and Twitter accounts. Expanding Internet presence and utilizing social media sites will allow building and central administration to share information at any moment, thereby allowing the community to access this information via commonly used platforms. Please follow or like the district and school social media to receive updates and important information.

In the Community Education Program: Parents and staff may not take photographs/videos of children other than their own at any Community Ed program, and parents should not post photographs/videos of children on any website or social media platform.

WEAPONS AND DANGEROUS INSTRUMENTS

Board of Education Policy regarding Weapons and Dangerous Instruments and State Law states that "any item known to be a weapon or any item used in such a way as to intimidate or physically hurt another person is prohibited from being on school property.." In addition, the Board Policy prohibits all imitation weapons and "the Board reserves the right to initiate and impose disciplinary action for conduct involving weapons." Given the changing political climate in schools across our country, it is essential that our students learn early that threatening language is not acceptable. Expressions like the following will not be tolerated: "I'm going to shoot you. I'm going to bring a gun to school and shoot you. I'd like to kill you." Verbal comments, written notes, and gestures along these lines will be

taken seriously and dealt with accordingly. The school may have to consider police involvement in such instances.

CUSTODY & GUARDIANSHIP

Unless a parent's right to information about his/her child has been terminated by the court, both parents have access to this information. If a parent's right has been terminated by the court, the other parent must provide such legal documentation to the program. The program will need **a copy of that part of your legal agreement that specifies the custody and visiting rights of parents**. This information will be kept confidential. The program needs this information in order to meet its legal obligations.

COOPERATION WITH SCHOOLS

As Community Education enters its 30th year of providing services to families, we eagerly look forward to meeting your family childcare needs. Although the South Brunswick Community Education Before and After School Programs are self-supporting and must cover all direct expenses from tuition, they are possible only with the support of the South Brunswick Board of Education and school staff. We have 8 sites serving 11 schools. We have benefited from the use of school facilities and equipment and the cooperation of each school's principal, assistant principal, office staff, nurse, custodians, teachers and support staff. We all work together to foster the best for our children.

SUMMER DAY CAMPS

South Brunswick Community Education operates two very successful day camps from 7 AM to 6 PM. BASE camp is for students entering grades 1-5 and Camp 6-7-8 is for students entering grades 6-8. Our counselors are teachers, recreational specialists, college students who are interested in a career with children, and experienced high school students. We also offer full day enrichment camps including reading/writing, math/science, music, dance and art. Camp information is available on the district website in late February/early March.
