

SOUTH BRUNSWICK TOWNSHIP PUBLIC SCHOOLS

CUSTODIAL FORM

Current patterns of family life often result in single-parent homes or shared-parent homes, where students are in the custodial care of one or both parents by either shared custody or by one parent only having certain rights to the child, especially in regard to visitation.

School officials are responsible for the general health, safety and well-being of students. We must also protect the rights of the custodial parent while not denying those of the other parent as well. **To this end, if you have a court issued document regarding custody rights related to a school or residential situation, please complete the form below and attach a copy of the appropriate documentation. Please check the appropriate box below.**
