

OUR GOAL:

Ensure that our facilities support the technological needs of our students and staff.

WHEN WE SUCCEED IN 2025:

- Internet bandwidth and infrastructure supports connectivity for flexible and mobile learning.
- Our server infrastructure will be continuously upgraded, secure, and scalable to meet our growth needs.

WHY THIS MATTERS: We want to ensure all students have equitable access to information, courses and learning opportunities facilitated through technology.

INITIAL IDEAS AND ACTIONS:

- Plan for the necessary technological infrastructure in order to support growth in all buildings in the district.
- Budget for sustainability in maintaining and upgrading equipment and license renewals
- Invest in implementation of cyber security best practices.
