Title 1 School-Parent Compact 2020-2021

The school-parent compact described below outlines how the parents, school staff and students will share the responsibility for improved student academic achievement.

The school will:

1. Provide high quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the State's student academic achievement standards by implementing district approved scientifically researched curriculum and having highly qualified teachers in every classroom.
2. Provide opportunity for family engagement through workshops and Fall Parent Teacher Conferences.
3. Provide parents with frequent reports on their children's progress. Report cards for students in grades K-5 will be sent home two times each school year as noted in the school calendar and progress reports.
4. Parents may contact staff by calling the main office or emailing the teacher directly. The main office will connect you to a teacher's voicemail. The teacher's email address can be located on the school's website.
5. Parents may volunteer in their child's class. Opportunities to participate in the classroom activities can be arranged by contacting the teacher directly. **(Note volunteer opportunities may be limited this year due to COVID restrictions and social distancing.)**

We, as parents will support our children's learning in the following ways:

1. Make every effort to get my child to school on time every day.
2. Make sure that homework is completed and materials for the next day are ready.
3. Notify the teacher when my child is having difficulty.
4. Participate in activities related to my child's education. (Examples: Back to School Night, Workshops)
5. Promote positive use of my child's extracurricular time.

Please sign and return this School-Parent Compact agreement to your child's school.
