### Advance EV3 Robotics

Date: Nov 20, Dec 4, 11, 18 & Jan 8

Make up day: Jan 15

Wednesday's 6 - 7.30 pm Grades: 5 -7 Cost: \$99

Experience the cutting edge of technology with the introduction of LEGO MINDSTORMS EV3 Robotics. Students will be captivated as they incorporate the newest generation of motors, sensors, and software by programming their commands directly into the intelligent brick. Test their capabilities by moving an object with a robotic claw, building a robot that draws, or creating a mousetrap. Our extensive list of builds is sure to provide the complete fundamental components of robotics at its best!
