

SOUTH BRUNSWICK PARENT ACADEMY (SBPA)
"Solving the Puzzle of Parenting . . . One Piece at a Time"

What is **Mathematics**?

It is only a systematic effort of solving puzzles posed by nature.

Plan to join us for this timely and important workshop:

What's Math Got to Do With It? Helping Your Child to Develop a Mathematical Mindset

Thursday, January 31, 2019

Crossroads North Middle School 7:00 - 8:30 pm
635 Georges Rd, Monmouth Junction, NJ 08852

Workshop Presented by Dr. Aparna Rajagopal, Jessica Nastasi and Mark Riccardi

Attendees will:

- Learn how to help foster a mathematical mindset in your child that will lead to his or her academic success (especially in math!)
- Discuss the language and behavior (supported by brain research) that will encourage and foster a positive mindset toward math
- Receive practical, everyday strategies you can implement at home as you play, study, cook and even travel with your child!

BONUS! We will be giving away 10 copies of our companion book:

What's Math Got To Do With It? by Jo Boaler
