

SPRING BUDDY BALL REGISTRATION IS OPEN

South Brunswick Buddy Ball Soccer Program

Our Buddy Ball Soccer Program provides sports opportunities for physically and developmentally challenged youth.

- Special needs players, ages of 5 and up are welcome to enroll
- Volunteers (our “Buddies”) range in age from 12 and up
- Buddies pair up with Players to provide individual assistance, guidance and encouragement
- Each Player will be matched with a minimum of one Buddy
- Adult volunteers coach and supervise the program

This wonderful program is offered on Sunday mornings for one hour. Each season runs for approximately 8 weeks.

Experience in soccer is not necessary, just a desire to help someone else and have fun.

The soccer program takes place at Harvest Woods Park on Culver Road in Dayton.
