Dear Parent/Guardian:

The South Brunswick School District provides parents a convenient, easy and secure online prepayment service to deposit money into your child's school meal account at any time. This service also provides parents the ability to view your child's account balance through a Web site called, <https://www.myschoolbucks.com>.

**You may access or create your account now at <http://www.myschoolbucks.com> and login using your email address and password.**

By having money in each child's account prior to entering the cafeteria, we find the lunch lines move along much faster so your child has more time to eat and be with friends. Also, parents will have the ability to view recent purchases, check balances and set-up low balance alerts. It's convenient, available **24/7 on the web** or with the Mobile App for your iPhone, Android or Windows phone!

If you are new to this service, the following instructions will enable you to establish an account:

1. Simply go to the Web site at [www.myschoolbucks.com](http://www.myschoolbucks.com) and register for a free account.
2. You will receive a confirmation email with a link to activate your account.
3. Add you students using their school name and ID.
4. Make a payment to your students' accounts with your credit/debit card or electronic check. A program fee may apply. *You will have the opportunity to review any fees and cancel if you choose, before you are charged.*

Things to know:

- If you have more than one child in the District, you can handle all online prepayments from the same account.
- In order to use the online prepayment service, a small convenience fee for each transaction will be assessed to cover bank fees. The convenience fee is \$1.95 per deposit transaction on a per school basis. Parents placing money in multiple accounts when students are in the same school will only be assessed the \$1.95 fee once per deposit transaction. The South Brunswick School District and Chartwells do not profit from the use of this site.

However, if you choose not to take advantage of the online prepayment service you may continue to make advance payments via check, which should be made payable to the South Brunswick Board of Education.

Yours truly,

David Pawlowski  
Business Administrator
